# WHO WE ARE

Green Enviro Foundation is a dedicated organization focused on promoting environmental sustainability through impactful events and initiatives. We believe that every small action contributes to a larger, greener future, and our mission is to inspire communities to take those actions. By organizing events that bring together like-minded individuals, experts, and organizations, we create platforms for awareness, education, and actionable change. Whether it's a tree-planting drive, a clean-up campaign, or an educational workshop, each of our events is designed to make a tangible difference.
